

Term 1 in Year 4!

Maths

To start the year, we will be looking at the place value of 4 digit numbers and how we can represent them. We will recap our existing knowledge before building on it, leading on to addition and subtraction.

Alongside this we will continue to develop our arithmetic skills with regular times table tests. Please support your child at

Mathematician

States of Being

English

In English, we will be using Joyce Dunbar's wonderful book 'Moonbird' to inspire us to write fiction and then non-fiction. We will mainly be focusing on sentence structure and exciting punctuation as well as using adverbs. Handwriting will be hugely

important and we will work on our neat presentation.

States of Being

Author-Writer

Enquiry

For our first enquiry 'What is sound?' we will become scientists, engineers and musicians! We will gain an understanding of what sound is and how it travels. We will also investigate ways to block out sound so we can design and create our own ear defenders! We will then invite you to see (and hear!) our learning at a science fair!

States of Being

Scientist

States of Being

Engineer/Technician

PSHE

Our PSHE unit this term is called 'Being me in my World'. We will be looking at our feelings, behaviour and how they impact others.

RE

In RE this term, we will be focusing on Hinduism, learning about Karma and the life of Gandhi to see why some people talk about life as a journey.

Spanish

In Spanish this term we will learn to talk about where we live, learning the names of places and modes of transport.

PE

PE days will be **Monday** and **Wednesday**.

On Monday we will be playing Football with our PE coach and on a Wednesday we will be doing orienteering.

States of Being

Athlete

Music

In music this term we will be looking at Samba music and songs linked to the Harvest service.

Musician

States of Being

Computing

Our computing lessons this term will link to our Enquiry—giving us the skills to make a podcast answering our big question, 'What is Sound?'
