

Enquiry Curriculum Map

This map shows areas of study for Year 6 and gives you a flavour of the questions we will be investigating. Within each area the learning and expected outcomes will be scaffolded appropriately for your child

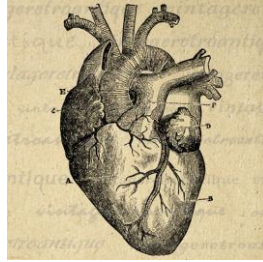

Historian

As historians, we will be identifying how the discovery of medical devices has impacted our lives.

Engineer/Artist

As artists, we will be completing an artist study of Leonardo DaVinci with a focus on his anatomical drawings.

Mathematician

As mathematicians, we will be extending our knowledge of place value and exploring numbers up to and beyond one million. We will also be revisiting and consolidating the four operations (addition, subtraction, multiplication and division) as well as using these with our larger numbers.

Computer Engineer

As a computer engineer, we will be identifying and exploring how data is transferred and information is shared online.

How can we save lives?

Term 1

Year 6

Musician:

As musicians, we will be exploring looping and mixing music.

Philosopher: RE

As philosophers, we will be asking 'Was Jesus the Messiah?'

Philosopher: PSHE

As philosophers, we will be identifying goals for this year and thinking about the behaviour we need to be successful.

Athlete

As athletes, we will be focused on improving our tag rugby skills and looking at our general fitness with some circuit training.

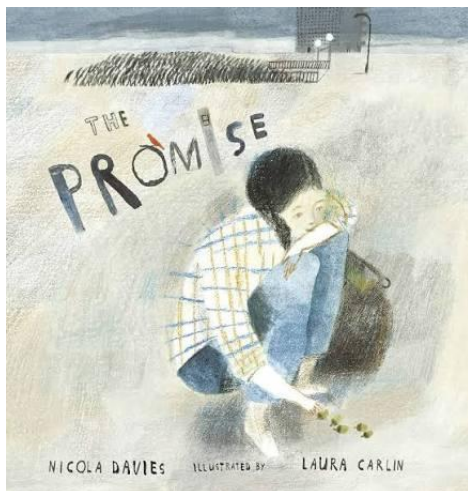

Linguist

As linguists, we will be revisiting the Spanish alphabet and sounds.

Author

As an author, we will be using the book *The Promise* to start some narrative writing exploring settings, dialogue and revisiting core skills from year 5.

Scientist

As scientists, we will be looking at the circulatory system; naming the different parts and describing their functions. We will be working scientifically to design our own experiments which involve taking measurements and recording data.
