Head teacher's message

Good afternoon everyone. We have now completed our first official week of the Summer term and are already enjoying signs of warmer weather to come. This week we have held our second round of parents' evening which give you the opportunity to catch up on your child/ren's progress etc. A massive thank you to those who have already had their meetings and if for any reason you were unable to attend please contact the office to arrange a catch up with your child's teacher.

The KS1 children were very excited this week to see the reopening of the school swimming pool where they have enjoyed their first lessons with Mr Pollard. We are looking forward to seeing them progress and enjoying using this facility. We also sent a school team to take part in an ultimate Frisbee competition this week where the children performed very well in a sport which was relatively new to them.

A gentle reminder, as we have now entered the summer term please ensure children have a water bottle in school every day which they can refill at break and lunch, sun cream applied in the morning if needed and a hat.

Have a lovely (hopefully sunny) weekend,

Mr Nesbitt
