Head teacher's message

What an amazing week we have had in school and the weather has certainly helped as well. It has been lovely seeing all the children start the day with their run a mile challenge. It was great seeing all the pupils, staff and parents joining in too.

The traditional Wick triathlon is always a great event. The children love to bring their bikes or scooters to school and be able to scoot or cycle around the grounds. Then they have to run the course and end with a enjoyable, cooling swim in our pool.

On Wednesday it was so good to see so many of our community join us for sports day. KS2 had a great time completing their traditional sports day events, it showed how much talent we have in our school and also showed how every child had a go and just kept going. It is always lovely seeing so many people join us for lunch across the school field. Then in the afternoon KS1 had a great experience starting with their parade and then taking part in a carousel of sporting activities.

During the week children have had the opportunity to enjoy their PE lessons, swimming lessons, attend sporting events like Tri-Golf, play tennis with Chipping Sodbury tennis club and end the week by teaching each other a sporting skill.

Finally I would like to mention that next week is Arts Week and the subsequent exhibition that will be taking place on 28th June. (Please see poster below)
