Head teacher's message

What a way to end the week at Wick! We hope you all had a chance to pop into our art exhibition after school today. The work created by the children throughout art week has been spectacular. From tie-dying to sewing, we have had it all. If you were unable to get to the hall to have a look, I have added a range of pictures to our various social media platforms. This week we also had our year 1/2 children attend a fencing experience at Longwell Green Primary school which they loved. Check out the photos below.

We hope you have a lovely weekend,

Mr Nesbitt & Mr Cockle

A great effort from all children this week! **Wick Court** has topped the leader board this week with a total of **151** points! Well done all!

Parent Link Team

A reminder that Our Family Link Team are in school daily, just pop in, call or email parents@wickprimary.org.uk if you would like to arrange to speak to them about any concerns, problems or just a 'difficult time at the moment'. Mrs Wiltshire and Mrs Kitchener can often be found in the playground before school, keep a look out for them.

This week we would like to remind you where you can go if you are having problems with or would like to learn more about online safety.

Cycling Training for the 21st Century
SCHOOL HOLIDAY CYCLE TRAINING COURSES

BEFORE BOOKING YOUR COURSE, PLEASE READ BELOW CAREFULLY!

- All courses are subject to a £5 Booking Fee which is Non-refundable.
- Places are limited so these are booked on a first come basis.
- The child must have a roadworthy bike with 2 working brakes and have a properly fitting helmet.

Bikeability Learn to Ride

This session is for children who are unable to cycle, including older children who have never mastered the skill. Session 1 ½ hours. This course is for School Year 3 and above.

Level 2

Consists of two morning sessions, there is an initial assessment in the playground covering level 1 skills to ensure they are ready for on road training. Once out on the road they will learn about road position, which road user has priority and when, how to recognise typical hazards as well as manoeuvring through junctions. This course is for School Year 6 and above who can cycle.

Level 3

Aims to equip riders with skills for more challenging roads and traffic situations such as passing queuing traffic, road narrowing, understanding blind spots and how to perceive and deal with hazards. All riders MUST have completed a level 2 course to an acceptable level prior to enrolling on this course. An acceptable level is where on the back of their level 2 certificate each box is ticked either Independently or With More Practice. If any of the boxes are ticked as either With Some Assistance or Not Yet Attempted they should attend another level 2 course. Most riders will need time to absorb the level 2 skills and put these into practice, hence they MUST NOT attend a level 2 and level 3 course within the same holiday period.

Courses are being held at Bradley Stoke Community Secondary School, Fiddlerswood Lane, BS32 9BS

To book on one of the above courses please log onto <https://southglos.cycleready.co.uk/publicbooking>

All instructors are DBS checked and work for the Council's Road Safety Team. Bikeability certificates are awarded to all trainees who successfully complete the course.

Please note courses are subject to a minimum number of children attending on the date. Locations of training may vary according to availability.
