Head teacher's message

To start this week a quick reminder that Monday is an INSET day so school will not be open to the children and we will see you all again on Tuesday.

This week, we have been very busy in both the younger and older end of the school. On Monday, Year 5 spent the day at SBL experiencing a STEM day where they took part in a range of experiments and activities. Many of our Year 5's also took part in the Bikeability programme this week which supported them in developing road safety and an awareness of how to be a safe cyclist.

Our Year Two children have had an amazing time on camp. Firstly, a massive thank you to all of the staff who gave up their time to stay overnight with the children and support during the day. They have had quite an experience. How wonderful it is to be able to offer such experiences to our KS1 children. They took part in two days of activities ranging from a low ropes course to the exciting muddy assault course. There are lots of photos on our social media and I have included a few below.

A great effort from all children this week although there wasn't an opportunity to count up their hard work - more totals to follow next week

Pre-loved Uniform

After school on Friday 19th July, we will be selling pre-loved uniform. Maybe a chance to stock up ready for September! On that note, if any of you have uniform from children in KS2, we would very much appreciate the donation as we're short of those sizes.

Parent Link Team

A reminder that Our Family Link Team are in school daily, just pop in, call or email parents@wickprimary.org.uk if you would like to arrange to speak to them about any concerns, problems or just a 'difficult time at the moment'. Mrs Wiltshire and Mrs Kitchener can often be found in the playground before school, keep a look out for them.

How can we cope with the summer holidays?

Creating a routine is a top tip. Keeping to a routine will help ease a bit of stress on you during the summer or any break break. So try setting a bit of a routine for you and your children. That way every day they know what time they'll be waking up and having breakfast, and do a few chores around the house together to help you out.

Parenting Tips

Peregrines

On Monday, Peregrines were lucky enough to experience a STEM day at Sir Bernard Lovell Secondary School. Fun activities included burning different chemicals and building a Lunar Buggy!
