Starting School

Starting school can be an exciting but worrying time for children. Please share this book with your children to help them become familiar with what to expect on a typical day in Badger class.

Your adults

This is your teacher **Mrs Davies**. She will be there to greet you every morning. Mrs Davies will teach you new things and help you if you are worried about anything.

Mrs Willmott is our teaching assistant and she helps you with your learning and sets up lots of lovely activities for you to enjoy.

School Uniform

All the children at Wick Primary School wear school uniform. In our school we like you to wear a navy blue jumper or cardigan, a pale blue polo shirt and a grey skirt, pinafore or trousers. Your adults at home will put your name on your clothes to help you find them.

Families can purchase logoed items of uniform from our retail partner **Harris Sports**. Please see the uniform policy for further details.

- Badgers must have a book bag
- Please purchase Velcro or buckle black school shoes.
- No laces or boots please.

Black shoes which can be polished.	
No trainer styles shoes, canvas shoes, shoes with a sports logo or additional colours (see below).	
	
	
PE trainers should be majority black and no additional colour (for example, luminous yellow/pink).	

Playtime

You are very lucky and have your own outside space just fro the Badgers. You will also play on the big playground with the other children at break and lunch time.

This is a good chance to meet new people and try out the other playground equipment. You are going to have so much fun.

Your Classroom

Your classroom is a wonderful space with lots for you to explore. Mrs Davies and Mrs Willmott will set up lots of activities each day for you. What are you interested in? You could tell the adults in your classroom. You have a cloakroom where you will have your own peg. You can put your coat and bag. You have you own toilets by your classroom too.

PE and Swimming

You will have PE every week with Mr Pollard. He will help you learn lots of new skills and play games. You will wear your PE kit to school so you are cosy throughout the day.

At Wick Primary we also have our very own swimming pool. Throughout your time as a Badger you will have regular swimming lessons with Mr Pollard. You will bring your swimming kit to school and change out of your PE kit. You will learn how to enjoy being in the water, how to swim with support and how to swim all by yourself.

The Early Years Foundation Stage (EYFS)

EYFS is the stage of education from birth to the end of Reception. Our highly bespoke and inspiring EYFS Curriculum is designed to reflect the interests and needs of our children and to immerse our children in a language rich environment. We prioritise high quality interactions punctuated with adult focussed activities where appropriate. Our children guide and drive their own learning through carefully resourced continuous provision with enhancements to aid the development of skills and knowledge. It is therefore unique to Wick CE Primary.
