

WICK PRIMARY SCHOOL NEWSLETTER

Dear Parents, Carers and Families,

Today we proudly celebrated World Mental Health Day. Staff and children took part by dressing up and engaging in a variety of thoughtful and fun activities across the classes. It has been a wonderful opportunity to promote awareness, support emotional wellbeing, and encourage open conversations around mental health in our school community.

It's been fantastic to see Year 4, 5 and 6 engage so brilliantly with First Aid training in school - they learned basic first aid including the recovery position and what to do in a case of choking.

At Wick, we pride ourselves in giving pupils responsibilities, this includes: School council, Eco team, Collective worship team, Sports leaders and Play leaders. Thank you to all the children who have volunteered for these roles.

The tickets are now available for our annual firework display organised by Friends of Wick School - please scan the QR code to purchase your tickets. This wonderful event raises money to support all our children - your support is incredibly valued - I hope to see many of you there!

Warm regards,

Mrs Belbin

Bikeability - Cycle Training for the 21st Century

SCHOOL HOLIDAY CYCLE TRAINING COURSES

BEFORE BOOKING YOUR COURSE, PLEASE READ BELOW CAREFULLY

- All courses are subject to a £5 Booking Fee which is non-refundable, so please make sure you book the correct course for your child.
- Places are limited so they are booked on a first come basis. Please only book 1 course for each child during the holiday.
- The child must have a roadworthy bike with 2 working brakes and have a properly fitting helmet.

Bikeability Learn to Ride This course is for School Year 3 and above.

This session is for trainees who **cannot** ride a bike with pedals without stabilisers, including older children who have never mastered the skill. The session lasts 1.5 hours. Riders need time to absorb and practise the Learn to Ride skills, therefore they **MUST NOT** attend a Learn to Ride and a Level 1 course within the same holiday period.

Level 1 This course is for School Year 3 and above who can cycle without stabilisers.

This session is intended for existing riders to build on their confidence and to learn to control and master their bikes in a space away from traffic such as a playground or a closed car park. For more details about the content go to: [Bikeability Level 1](#) Session lasts 1.5 hours.

Combined Level 1 & 2 This course is for School Year 5 and above who can cycle confidently and with control.

This is a one-day course from 9:15am – 2:45pm. There is an initial assessment in the playground covering level 1 skills to ensure they are ready for on-road training. Once out on the road, they will learn about road position, which road user has priority and when, and how to recognise typical hazards as well as manoeuvring through junctions. For more details about the content of the course, go to: [Bikeability Level 2](#)

Level 3 Trainees must be in School Year 6 or above. This course is for competent riders. All riders MUST have completed a level 2 course to an acceptable level prior to enrolling on this course. *An acceptable level is where on the back of their level 2 certificate each box is ticked either **Independently** or **With More Practice**. If any of the boxes are ticked as either **With Some Assistance** or **Not Yet Attempted** they should attend another Level 2 course. Riders need time to absorb and practise the Level 2 skills, therefore they **MUST NOT** attend a Level 2 and a Level 3 course within the same holiday period.*

This 2-hour course aims to equip riders with skills for more challenging roads and traffic situations such as using multi-lane roundabouts and traffic lights, passing queuing traffic, road narrowing, understanding blind spots and how to perceive and deal with hazards. For more details about the content, go to: [Bikeability Level 3](#)

Courses are being held at:

Bradley Stoke Community Secondary School, Fiddlerswood Lane, Bradley Stoke BS32 9BS
Watermore Primary School, Lower Stone Close, Frampton Cotterell BS36 2LE.

To book on one of the above courses please log onto <https://southglos.cycleready.co.uk/publicbooking>

All Instructors are DBS checked and work for the Council's Road Safety Team. Bikeability certificates are awarded to all trainees who successfully complete the course.

Please note courses are subject to a minimum number of children attending on the date. Locations of training may vary according to availability.

 Support a Meaningful Cause This October 

The death of a child is beyond imaginable, and it's something no one should have to face. Sadly, some people do, and it is heartbreaking. To help support families going through this unimaginable pain, I'm launching an initiative and inviting you to be part of it.

This October, I'm donating all royalties from my children's book '*A Sprinkle of Christmas Magic – The Adventures of Benny & Zoom*' to **Be More Ben**, a charity that provides counselling and other therapeutic support for bereaved parents and siblings. They support families after the death of a child and give them the opportunity to meet others who understand the enormity of losing a child.

In memory of Bristol girl Ellie, a remarkable young lady taken from us at the age of 17, let's come together to make a difference. Ellie's family have focused on raising funds for Be More Ben, and together we can help them.

With Christmas fast approaching, now seems like the right time to enjoy a festive story filled with joy and magic. Let's spread some love and light this October-by doing so, we can all make a difference.

Join me in supporting Be More Ben. Buy a book this October.

- ✦ Buy the book
- ✦ Spread awareness of this great charity
- ✦ Help support grieving families

Let's honour Ellie's beautiful spirit together. 

Your support in buying this book in October will help in bringing immeasurable support to families who need it.

Thanks for your support
Josephine
