

WICK PRIMARY SCHOOL NEWSLETTER

As we come to the end of a wonderfully busy and rewarding term, I want to take a moment to celebrate everything our pupils have achieved. It has been a joy to see the school buzzing with energy, creativity, and community spirit.

This term has been packed with memorable events. Our Year 3 and 4 production was a real highlight, the children's confidence and enthusiasm shone through, and we are incredibly proud of every performer. Year 5 pupils showed great determination and growing independence during their Bikeability training, developing skills that will stay with them for years to come. The school disco brought plenty of laughter and impressive dance moves, while our Year 5 Spelling Bee showcased the hard work and talent of pupils across the school - the children even came away with First place. We finished term with an Easter service with Reverend Elaine, the Year 6 children shared beautiful readings and the singing was fantastic!

A special well done to our Term 4 Wick Champions - you have all worked hard across the course of this term and we are incredibly proud of you.

Thank you, as always, for your continued support. I wish all our families a restful and happy Easter holiday. We look forward to welcoming everyone back for an exciting summer term ahead.

Warm wishes,
Mrs Belbin

Zones of Regulation

This term we have started our journey with using the Zones of Regulation as a whole-school tool for supporting children with their emotional regulation.

Over the course of the rest of the school year, we will be expanding the children's understanding of the Zones of Regulation and embedding it within our practice.

We would like to offer the opportunity to share key information about the Zones of Regulation with families in order to ensure clarity and promote consistency for children. If you are able to, please join us for a parent and carer meeting on Wednesday 29th April in the school hall. The meeting will be held at 8.50am.
