

WICK PRIMARY SCHOOL NEWSLETTER

Dear Parents and Carers,

Welcome to the penultimate newsletter of the year. We're heading into a busy and exciting last couple of weeks, with children preparing for transition into their new classes, Wickfest, and the much-anticipated Year 6 productions coming up. Plenty to enjoy as we move toward the end of term! We have some warm weather appearing again next week so please make sure the children are prepared with water and suncream.

The children are enjoying their final term with their current teachers, school trips and making the most of their time together while also getting excited about moving up and the new year ahead. It's a full and busy time of year, and we really appreciate all the support from families as we reach the end of term.

Date for your diary - Saturday 26th **September!**

We're organising a volunteer day to help spruce up the school site. Please save the date and hopefully join us for a few hours to make a real difference.

Your support would mean a lot.

Our local library has visited our school to tell the children how they can take part in the 2026 Summer Reading Challenge: Read to the Beat!

It's FUN and FREE, and every child aged 4 and above is invited to take part! Children read any books they enjoy and take part in fun activities over the summer holiday to collect stickers and rewards including a medal and certificate.

Join the Summer Reading Challenge 2026, Read to the Beat at a South Gloucestershire library during staffed hours from Saturday 4 July finishing by Saturday 12 September, and pick up your FREE activity bag.

See the difference the Summer Reading Challenge makes to your child's reading!
 "I love that the reading challenge happens each year. My child struggles with English and reading so this is brilliant for him and keeps him off his tech. It's a great skill to have."
 (Patchway Library)

"The reading challenge was a great way to encourage reading over the school holidays and also provided activities and trips out coming to the library to choose books." (Bradley Stoke Library),

FREE holiday activities: West African Drumming Workshops with Batch Gueye, Crafts, Junk Modelling Workshops and Lego™ Challenges.
